WHY PHASE Associates

- **Technical Expertise.** We specialize in Industrial Hygiene, Indoor Air Quality and EHS services. We have on staff CIH, CSP and Industrial Hygienists with a minimum of 3 years of experience.
- **Past Experience.** We have worked with many federal agencies. We understand the complexities of an IH and IAQ survey/assessment.
- **Responsiveness.** We are known for our meticulous project management, detailed written reports and the ability to respond to our customers' needs quickly and effectively.

PAST PERFORMANCE

PHASE Associates provides high quality, comprehensive EHS solutions to our clients. We offer cost-effective services to meet our customers' needs. The Federal Government agencies we have worked with through business purchase agreements (BPAs), open market solicitations, and as a subcontractor include but not limited to:

- National Army Guard (Northeast, Southeast, Washington State)
- Naval Air Systems Command (NAVAIR)
- National Park Service (NPS)
- Federal Occupational Health (FOH)
- General Service Administration (GSA)
- Social Security Administration (SSA)
- Veteran's Hospital
- United States Army Corps of Engineers (USACE) Buffalo
- Federal Aviation Agency (FAA)
- United States Coast Guard (USCG)
- Federal Bureau of Investigation (FBI)
- United States Postal Service (USPS)
- Internal Revenue Service (IRS)
